

**The Flintstones Vol. 2: Bedrock Bedlam** Fred and Barney reunite for Mark Russell's modern take on Hanna-Barbera's most famous stone-age family! This second volume starring the first family of Bedrock (and civilization, really) tells the story of who we are and why we do what we do as if it all began with Fred, Wilma, Barney, Betty and the rest of the citizens of Bedrock. Shining a light on humanity's ancient customs and institutions in a funny origin story of human civilization, Mark Russell (PREZ) blends modern interpretations with Hanna-Barbera's classic characters, bringing a breath of fresh stone-age air. Hanna-Barbera has created some of the most recognizable animated characters of all time. As part of DC Comics' reimagination of cartoons like SCOOBY-DOO, JOHNNY QUEST, SPACE GHOST and WACKY RACERS, these new series are infused with modern and contemporary concepts while keeping the heart and soul of the classic animation.
